

# Youth Build 2019

**Habitat  
for Humanity®**  
Northern Ireland

Tonight, 1.6 billion people in our world will go to sleep without a decent place to call home.

Next summer help transform families' lives forever, and transform your own too!

Youth Build is a unique opportunity for 16-18 year olds from across Ireland to:

- Build** beside communities in need
- Understand** poverty & global development
- Inspire** long-term support for social justice
- Learn** to work in a team
- Develop** leadership & entrepreneurship

**Habitat has shaped me into the best version of myself and I am so privileged to have been part of such an incredible project.**

Previous Youth Build participant

# Youth Build 2019

Youth Build will bring together young people from all over Ireland to work alongside communities on Habitat projects across Romania for 8-10 days next summer.

In Romania many families live in cramped, dilapidated housing. Habitat works beside families and communities on innovative housing solutions ranging from building and renovating homes to advocating for better housing policies.

## Need to Know

There are a range of trip dates available in late June and July 2019. There is also an opportunity for a trip at Easter.

The budget to take part is £1,650p/p (this includes a non-refundable deposit, a weekend residential, travel, in-country expenses, a debrief and a minimum £700 donation towards Habitat's work). Of the £1,650 volunteers make a minimum personal/parental contribution of £500 towards logistics costs. If you are unable to make this contribution, get in touch.

There are lots of ideas and resources to support fundraising. Volunteers must be clear about what the funds raised will support.
